

Letter to the Editor

Letter to the Editor

To the Editor:

I would like to bring to your attention an error found in the following paper, "The recognition of craniosynostosis when managing patients with plagiocephaly; Two case reports of Lambdoid craniosynostosis by C O'Neil and A Stewart, published in 2013. The figures on page 126 have been labelled incorrectly.

Sincerely,

Dr Maria Bernard

In Response:

Thank you for bringing that to our attention, Dr Bernard. The labelling error was noticed after publishing, when it was too late to edit. On page 126, the image labelled *Deformational Plagiocephaly* should be labelled *Lambdoid Craniosynostosis*, and the image labelled *Lambdoid Craniosynostosis* should be labelled *Defomational Plagiocephaly*.

Sincerely,

Dr Carrie Rigoni (nee O'Neil) and Dr Adam Stewart
